Traditional
Fireplace Design Collection

*FEATURED Plantation with Ivory Split
Herringbone Mosaic Masonry and Rustic Oak log set.
See page 7 for more details.*

Traditional Fireplace Design Collection

When you enter your favorite room, you are transformed. You become inspired and relaxed all at once. Enchanted and completely at home. Every carefully placed detail is a reflection of your style - a reflection of your story.

We understand. The remarkable craftsmanship found within the Astria fireplace collection is of the utmost importance to us - because we know it means everything to you. We understand that form and function should only exist in harmony. And that the little things are just as important as the big things.

So, whether you're looking for the missing piece or a fresh start, may the perfect finishing touch find you here.

Let your style shine.

VENT-FREE GAS LOGS

*FEATURED Southern Comfort log set with
Atlas Firebox and White Herringbone panels.*

VENT-FREE LOGS: TRI-FLAME SERIES

Featured with Magniflame burner and Marquee Vent-Free Firebox.

The *Tri-Flame Series* brings a remarkable new technology to the field of Vent-Free Gas Logs. To duplicate the look of a real wood fire, these models include a glowing coal bed at its base. The bright, glowing coals and flickering embers are achieved through the use of two unique technologies. The Tri-Flame burner offers the unusual feature of an additional row of flames behind the logs. The result is a distinctive appearance with a very deep flame pattern.

Fallen in love? See your dealer for the product specific brochure or visit us online at Astria.us.com.

VENT-FREE LOGS: BLAZE N' GLOW SERIES

Featured with Magniflame burner and Marquee Vent-Free Firebox.

The *Blaze n' Glow Series* offers you what ordinary gas logs cannot... the beauty and convenience of gas logs combined with the heating characteristics of a radiant Vent-Free heater. Best of all, our Vent-Free Gas Logs are clean and easy to maintain and they won't put a dent in your wallet! Burner systems are available in four applications. Now all models include loose embers. Simply combine the burner system that fits your needs with one of the three log sets. 18" models fit our Astria 32" fireboxes and larger. 24" models fit Astria 36" fireboxes and larger. 30" and 36" models fit Astria 42" fireboxes and larger.
